* By my signature below, as a student, I acknowledge that I am solely responsible for my own successful progress and completion of the degree requirements selected. While advisors help with course selection, I am the one responsible for whether or not I complete all degree requirements. I also acknowledge that I am responsible for registration of all courses, whether or not they are listed on this form. I understand that my registration for courses requiring additional paperwork (DIS, Internship, etc.) is contingent upon completion of the paperwork by the applicable deadline.

* I also acknowledge that if all of my Official Transcripts are not on file in the Registrar's Office, my advisor will not be held responsible for registering me for courses that I have successfully completed at another college.
