Verification of 2022 Income Information for Student Tax Filers

Important Note: The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2022 or had a change in marital status after December 31, 2022.

Instructions: Complete this section if the student and spouse filed or will file a 2022 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2022 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2022 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a **2022 IRS Tax Return Transcript(s) or a signed copy of the 2022 income tax return and applicable schedules.**

- Get Transcript Online – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan).
