This is a request for supplemental information in connection with your application for a Federal Direct PLUS Loan (Direct PLUS Loan) through the William D. Ford Federal Direct Loan (Direct Loan) Program. Some schools may have a different process for obtaining the additional information needed to process your Direct PLUS Loan application.

The Direct PLUS Loan Application allows you to authorize the school to use your loan funds to satisfy other educationally related charges after tuition and fees, and room and board have been paid. You are not required to provide this authorization.

- Designate whether the school pays any credit balance to the student or to you.
- Request a deferment while the student is in school
- Request an additional deferment for 6 months after the student ceases to be enrolled at least half time.

BEFORE YOU CONTINUE: If you have placed a security freeze on your credit file, you must lift or remove the freeze at each credit bureau before you continue. Your application will not be processed if you have a security freeze.

WHAT TO DO IF THE PARENT PLUS LOAN IS APPROVED

1. Parent must complete a Plus Master Promissory Note for parents, <https://studentaid.gov/mpn/parentplus/landing>

16. Review the "IMPORTANT NOTICES" by selecting the link
17. Certify the accuracy of the information on the application

If the disbursement generates a parent refund, the parent borrower has the option of signing up for direct deposit. Direct Deposit offers a timely, reliable and safe way to deliver your refund to your checking or savings account. For more information on refunds, please contact the LCU Business Office at 318-487-7452.

What happens if the Parent PLUS Loan is denied?

If the Parent PLUS Loan is denied, there are four options available:

- Apply with an endorser—allows the borrower to reapply with a co-signer. If after reapplying with an endorser, the borrower is still denied, or the parent decides not to pursue an endorser, the student may receive additional Direct Unsubsidized loans up to the independent amount for the student's grade level.
- Appeal the credit decision—allows the borrower to provide documentation to the Department of Education to prove extenuating circumstances that may override the initial credit decision. If after appealing the credit decision, the borrower is still denied or the parent decides not to appeal the credit decision, the student may receive additional Direct Unsubsidized loans up to the independent amount for the student's grade level.
- Do not pursue the Parent PLUS Loan—the borrower acknowledges the denial of a Parent PLUS loan. Using this option allows the student to receive additional Direct Unsubsidized loans up to the independent amount for the student's grade level. Student must complete an Additional Loan Application.
- Undecided—LCU will offer the additional Direct Unsubsidized loans if this option is selected. LCU will be automatically notified if an endorser or credit appeal is approved at a later date and will make adjustments to the loans as necessary.

Based on the results of your credit check, we are unable to approve your request for a Direct PLUS Loan. However, you may still receive a Direct PLUS Loan if you obtain an endorser, or if you document to the satisfaction of the U.S. Department of Education that there are extenuating circumstances related to your adverse credit history.

Under federal law, you're entitled to a free credit report if a company takes adverse action against you, such as denying your application for credit, insurance, or employment, and you ask for your report within 60 days of receiving notice of the action. The notice will give you the name, address, and phone number of the credit reporting company. Otherwise, a credit reporting company may charge you up to \$11.00 for another copy of your report within a 12-month period.

To obtain a copy of your credit report, contact:

- Equifax: 1-800-685-1111; equifax.com
- Experian: 1-888-397-3742; experian.com
