The Presidential Search Committee met on June 27 to continue the process of securing a Search Firm to aid in our presidential search. This step will add credibility, scope, and transparency to the search process. Once a search firm has been secured a press release will share how our stakeholders can continue to speak into the process.

*For now please continue to pray for the search committee, our school, and our next President.*

As a reminder here are our search committee members:

Dr. Tommy Kiker- Pastor at East Leesville Baptist Church, Current Trustee

Dr. Justin Langford, Current Faculty Member, Alumnus

Dr. Natalie Maxey, Current Faculty Member

John Parker, Layman, Current Trustee, Alumnus

John Stagg, Layman, Current Trustee

Dr. Eddie Wren: Pastor at FBC, Zachary, Current Trustee and former chair

Dr. Langford and Dr. Maxey are faculty members who are offering great insight from the faculty perspective but are non-voting members of the committee. They will not interact with any candidates or be involved in the interview process when the time comes, but will continue to give insight throughout the process. All members of faculty and staff are welcome to give feedback to the committee at any time through the process.
