

Update from Presidential Search Committee

The Presidential Search Committee has been listening and praying. Representatives of the committee have attended all of the Town Hall Meetings and have greatly appreciated the support and input of everyone who has attended. Since our last update we have secured and hired Carter-Baldwin to help us in conducting our presidential search. Carter-Baldwin has extensive experience in presidential and other high-level searches in the world of Christian higher education and have already been a great help in this process.

The search committee and other members of the LCU community met with representatives from Carter-Baldwin all day on August 15th to help them learn about the heart and history of our school. The survey which many of you took time to fill out helped to develop a President Search Profile which will be disseminated to potential candidates. You can find a copy of this profile with this update.

The committee, along with Carter-Baldwin, continue to search out viable candidates for the position. While applications will be accepted until a new president is appointed, candidates must submit their CV and a letter of interest addressed to the Louisiana Christian University Presidential Search Committee by October 25, 2024, for optimal consideration. Nominations, expressions of interest, and applications should be sent to LCUPresident@carterbaldwin.com. All recommendations sent to the PSC@lcuniversity.edu email address or to any member of the search committee will be submitted to Carter-Baldwin for vetting as well.

The current timeline has us receiving candidates for the next six weeks or so and then in November we will begin prayerfully reviewing and considering the slate of candidates. In the meantime we continue to welcome your feedback and any recommendations you might have. We especially covet your prayers for the search committee, our school, and our next President.
